Nevada, 2505 Rye Patch Reservoir Rd, Lovelock, NV 89419

**Celebrate Nevada's Mining History.**

On the 25th of September, the Nevada State Parks Department (Rye Patch State Recreation Area), GPAA of Northern Nevada Reno (Inc.), American Mining Rights Association (AMRA), Reno Prospecting & Detecting Club and the Reno Gem & Mineral Society will be hosting a one-day free metal detector hunt. All that attend can take part in a planned metal detector hunt for prizes, see demonstrations and get hands-on instruction, hear knowledgeable speakers, and practice the art of mining for old & treasure in an ecological sound method. Participants must have their own metal detector, pay the State Parks entrance fee and be ready to have fun. Take the short ride east from Reno on Interstate 80 to Rye Patch State Park. Food is available at event.
